

Covid-19 Community Covenant: Communion Services

In order to maintain the well being and safety of all who wish to attend St Peter's Church, please ensure you have read and are happy to agree to the following points:

- I will only attend worship if I am not showing signs of **Covid19** & have not been asked to isolate
- I will register my intent to attend a service by **booking in online**
- I understand that church will only open **15 minutes** before the service
- I understand that it is my responsibility to ensure my **children** are aware of social distancing
- I will bring & wear my own **mask** at all times in church, removing it only to receive communion*
- I understand windows and doors must be kept open to increase **ventilation** inside the church
- I agree to follow the **one way system** and to sit in an allocated seat
- I understand I will need to bring my own **order of service**
- I am aware that **singing is not allowed** and that I should refrain from raising my voice
- I understand that following the service I will need to **leave the building promptly**
- I am aware that my **contact details** will be kept & may be used for the 'Track and Trace' scheme
- I understand that if I need a **cushion or a bible**, I must bring them from home
- I understand that the **toilets** are not currently in use
- I will **inform the Rector** if I become unwell within 7 days of attending worship

Please come into church by the **front entrance** using the **alcohol gel** in the porch on the way in.

Volunteers will be available to help you at any time.

It will all become clear and second nature to us in no time!

Do remember:

You will need to book in...*but at least we can worship together*

You will need to wear a mask...*but at least we are doing it as a way of 'loving our neighbour'*

You will need to follow the one way system....*but at least we can go inside the church building*

You will need to stay in your pew for communion....*but at least we can share in the Eucharist once again*

You will need to leave immediately after the service....*but at least we can have a service*

You will need to get used to the changes...*but at least we all know that God will never change.*

We look forward to worshipping with you in person once again.

Full details can be found in the 'Reopening protocol; August 2020' at www.stpeterschurchfilton.com

*Medical exemptions apply
